

## Benjamin Gallagher

703-258-9324   [bgallag5@gmail.com](mailto:bgallag5@gmail.com)   Vienna, VA 22182

### Me

Full stack web developer and recent college graduate. I received my Bachelors in Government and International Politics from George Mason University in the fall of 2018. In 2021 I completed The George Washington University Full Stack Web Development Bootcamp as one of the top students. My commitment to hard work and my desire for continued learning have brought me success so far, and I am excited to my journey as a developer.

Learn React Today Certificate - Web Dev Simplified

Social Media Marketing Certificate - Hubspot, 2020

### Skills

JavaScript, React, Node, Express, HTML, CSS, MongoDB, mongoose, Bootstrap, ES6, REST APIs,

### Projects

#### **NATOURS**

Deployed: <https://bg-natours.herokuapp.com/>

Code: <https://github.com/Bgallag5/Natours>

Natours is a full-stack MERN application designed for browsing and booking vacations! Natours users can create an account to browse our diverse vacation tour offers.

### **STOCK ALERT**

Deployed: <https://bgstock-alert.herokuapp.com/>

Code: [https://github.com/Bgallag5/Stock\\_Alert](https://github.com/Bgallag5/Stock_Alert)

Stock alert my own recreation of the website <https://stockalarm.io/>. I build this project to practice recreating great looking websites as fast as possible in React. Compare it to the original to see how accurate my recreation is (with some upgrades included)

### **BANKIST**

Deployed: <https://bankist--app.herokuapp.com/>

Code: <https://github.com/Bgallag5/Bankist>

Need a new bank? Well, keep looking because this is only a webpage. Bankist is a front end landing page for a fake bank with a concentration on simplicity, readability, and style.

## **Experience**

### **MARKETING ASSOCIATE, IMAGEX, RESTON, VA : FEB 2020 - SEPT 2020**

- Communication and relationship building between Imagex and our clients
- Marketing efforts including: branding, email marketing campaigns, point of contact for our marketing firm, and in house marketing initiatives
- Website monitoring and corrections
- Assisted lead architect with data migration projects

### **ROCK CLIMBING INSTRUCTOR, SPORTROCK, STERLING, VA: 2018-2019**

- Climbing instructor for people of all ages and skill levels
- Taught climbing technique and safety protocols including knot tying and belaying
- Maintenance of general cleanliness and gym equipment

### **CAMP COUNSELOR, SPORT AND HEALTH, HERNDON, VA: 2016**

- Organization and operation of all-day summer camps for all children ages 4-12
